

# Written Statement of Behaviour Principles

**July 2018**

(To be reviewed annually)

The Education and Inspectors Act 2006 and the Department for Education (DfE) guidance (Behaviour and Discipline in Schools, 2016) requires the Governors to make and frequently review, a written statement of general behaviour principles to guide the Headteacher in determining measures to promote good behaviour.

This is a statement of principles, not practice. Practical applications of these principles are the responsibility of the Headteacher. The statement as been adopted by the Governing Body as a whole, following consultation with the Headteacher, parents/carers, staff and pupils.

The Governors at Armitage C. of E. Primary School, believe that high standards of behaviour lie at the heart of a successful school that enable children to make the best possible progress in all aspects of their school life.

At Armitage C. of E. Primary School, we value everyone as an individual, capable of growth, change and development. Our relationships are underpinned by the principles of justice, equality, mutual respect, fairness and consistency. We have high expectations that support the development of our pupils as effective and responsible citizens.

The purpose of this statement is to give guidance to the Headteacher in drawing up the Behaviour Policy by stating the principles that the Governors expect to be followed.

The Governors expect any policy or actions to be in accordance with their responsibility under equality legislation.

**Principles:**

- All children, staff and visitors have the right to feel safe at all times at school.
  
- Armitage C. of E. Primary School is an inclusive school. All members of the school community should be free from discrimination of any sort (as laid down in the Equality Act, 2010). The school has a clear and comprehensive Anti-Bullying Policy that is known and understood by all, consistently applied and monitored for its effectiveness. Measures to protect pupils from bullying and discrimination as a result of gender, race, ability, sexual orientation, religious belief (or lack of belief) or background are clearly set out and regularly monitored. Measures to protect children should be set out in the Behaviour and Equality policies.
  
- The school rules should be clearly set out in the Behaviour Policy and displayed around school. Governors expect these rules to be consistently applied by all staff.
  
- Governors would like to see a wide range of rewards, consistently and fairly applied in such a way as to encourage and reward good behaviour around school.
  
- Sanctions for unacceptable/poor behaviour should be known and understood by all staff and pupils and consistently applied.
  
- It is recognised that the use of rewards and sanctions must have regard to the individual situation and the individual child and the Headteacher is expected to use her discretion in their use. Sanctions should however be applied fairly, consistently, proportionally and reasonably, taking into account SEND, disability and the needs of vulnerable children, and offering support as necessary.
  
- The Governors strongly feel, that exclusions, particularly those that are permanent, must only be used as the very last resort.

- The Governors expect the Behaviour Policy/Use of Reasonable Force Policy to clearly outline the circumstances where staff may use reasonable force and other physical contact. At all times the use of force should be a last resort but governors agree it may be used in the following circumstances (see Section 93 of the Education and Inspections Act 2006):-
  - in self-defence or when safety is an issue,
  - where there is a risk of significant damage to property,
  - to search pupils for weapons / stolen property.
  
- The Governors expect pupils and parents/carers to cooperate to maintain an orderly climate for learning.
  
- The Governors wish to emphasise that violence, threatening behaviour or abuse by pupils or parents/carers towards the school's staff will not be tolerated. If a parent/carer does not conduct himself/herself properly, the school may ban them from the school premises and, if the parent continues to cause disturbance, he or she may be liable to prosecution.
  
- The Governors expect the Headteacher to include guidance on the use of reasonable force, within the Behaviour Policy.
